

Abrar

Java Full Stack Developer

Indore, Madhya Pradesh

+91 7067743825 | m.abrarhusayn@gmail.com | [GitHub](#)

PROFESSIONAL SUMMARY

Java Full Stack Developer skilled in building scalable, enterprise-grade web applications using **Java, Spring Boot and React.js**. Experienced in designing robust **RESTful APIs**, implementing secure authentication mechanisms like **JWT and Role-Based Access Control (RBAC)**, and managing relational/NoSQL databases with **Hibernate/JPA**. Proficient in deploying and managing secure, production-ready applications utilizing AWS services including **EC2, S3, and CloudFront**.

TECHNICAL SKILLS

Programming: Java, JavaScript, SQL

Frontend: HTML, CSS, Tailwind CSS, React.js

Backend: Node.js, Express.js, Servlet, JSP, Spring Core, Spring MVC, Spring Boot,

Databases: MongoDB, PostgreSQL, MySQL, JDBC, Hibernate, Spring Data JPA

Tools: Git, GitHub, Postman, AWS – S3, EC2, CloudFront

WORK EXPERIENCE

Software Trainee Intern (Dec 2025 – Present)

Ypsilon IT Solutions Pvt. Ltd., Indore

- Develop full-stack applications using Spring Boot, React.js, and Node.js
- Design and implemented RESTful APIs with JWT-based authentication and role-based authorization
- Build scalable backend systems and integrated frontend with backend services
- Optimize application performance and improved API response handling

PROJECTS

CloudDock — MERN Stack, AWS S3, CloudFront, EC2 | [CloudDock](#)

- Developed full-stack video uploading and streaming platform using MongoDB, Express.js, React.js, and Node.js
- Implemented secure authentication and subscription-based plans with role-based access control
- Integrated AWS S3 for scalable video storage and CloudFront for fast content delivery and streaming
- Designed RESTful APIs for video management, uploads, and user operations with production-ready architecture

Tour & Travel Booking Platform — Spring Boot, MySQL

- Developed a full-stack application with Admin and User dashboards
- Implemented JWT-based authentication and protected routes
- Developed booking and tracking features for users
- Created admin panel for managing users and bookings

EDUCATION

Master of Computer Applications (MCA) — Expected May 2027

Maharaja Ranjit Singh College of Professional Sciences, Indore

Bachelor of Computer Applications (BCA) — July 2022 – April 2025

Rajiv Gandhi PG College, Mandsaur

STRENGTHS

- Strong verbal and written communication skills.
- Positive attitude with adaptability to new technologies.
- Problem-solving ability and analytical thinking.
- Effective team collaboration and time management skills.
